

Vivoryon Therapeutics Reschedules Reporting of 1st Quarter 2021 and Provides Update for Annual General Meeting of Shareholders

HALLE (SAALE) / MUNICH, GERMANY, May 31, 2021 – Vivoryon Therapeutics N.V. (Euronext Amsterdam: VVY; NL00150002Q7) (**Vivoryon**) announced today that the publication of the 1st quarter 2021 financial results, which had been scheduled for June 1, 2021, will be postponed until June 25, 2021.

In accordance with the decree of May 27, 2021 on amending some expiry dates of legal provisions made in connection with the COVID-19 outbreak as published on May 31, 2021, the Temporary COVID-19 Justice and Safety Act (*Tijdelijke wet COVID-19 Justitie en Veiligheid*) (the **COVID Act**) has been extended. Therefore, the annual general meeting will be held on Monday, June 28, 2021, at 10:30 a.m. (CEST) as a virtual meeting via an audio webcast which will be available, along with all relevant documents, on the company's website at: <https://www.vivoryon.com/ordinary-general-meeting-of-shareholders-2021/>. As there will be no physical meeting, it will not be possible to attend the meeting in person.

About Vivoryon Therapeutics N.V.

With 20+ years of unmatched understanding in identifying post-translational modifying enzymes that play critical roles in disease initiation and progression, Vivoryon's scientific expertise has facilitated the creation of a discovery and development engine for small molecule therapeutics. This platform has demonstrated success by developing a novel therapeutic in type 2 diabetes. In its current programs Vivoryon is advancing its lead product, varoglutamstat (PQ912), in Alzheimer's disease and its entire portfolio of QPCT and QPCTL inhibitors in oncology and other indications. In addition, the company pursues a development program for Meprin protease inhibitors with potential therapeutic use in fibrotic diseases, cancer and acute kidney injury. www.vivoryon.com

Forward Looking Statements

Information set forth in this press release contains forward-looking statements, which involve a number of risks and uncertainties. The forward-looking statements contained herein represent the judgment of Vivoryon Therapeutics N.V. as of the date of this press release.
